

# Transmogrification

The Transmogrification system lets you replace the appearance of an item with the appearance of another item.

---

## Unlocking Appearances

When you kill monsters that drop items, you will automatically have the appearances of the looted items unlocked.

If you are hunting in a party, everyone eligible for the loot will also unlock the appearances. Appearances can be additionally unlocked by completing quests that reward items.

---

## Applying Appearances

To apply an appearance, simply access the Transmogrification window by pressing More ->

Transmog button in the client.

---

## Excluded Items

Due to a few limitations and reasons the following items are excluded from the Transmogrification system:

- Items with charges
  - Item that are stackable
  - Items that change their appearance on equip (e.g. soft boots)
  - Containers
