

[Lv 100] Prisoner

In this quest you will need to help Curtiz and locate the 5 chests. Once you locate all 5, talk to him again to collect your reward.

2 are located in the basement at the check marks. The question mark is Curtiz, the NPC quest giver.

Three are located on the first floor when you arrive, at the check marks.

Once you have clicked all 5, talk to Curtiz again to be teleported to the reward room.

Rewards: <Message Vapme to add rewards>

Paladin: a sack of herbs (charm) (Max Health +2%, Max Mana +2%).
