

[Lv 600] Abyssal Trinity Quest

History:

This quest was first found during season 10, it is a secret quest. Had been unsolved for around 5 years, many people had been trying to solve it among the years but it was said that it had been bugged somehow that people couldn't complete it. Later during season 12 it was fixed by the admins and it was unsolved till then. During season 15, 2 players started to look around again and tried to solve it until they completed it 07/21/2022. They are [Demon Diabolis](#) and [Tankems](#). Attempted to keep it a secret to give others a chance to solve it on their own, but the quest needed 4 different vocations so they invited two additional people: They are [Aryana](#) and [Colostomy](#) then somehow it was spread around.

Quest requirements:

3x vial of soul fragment (blue) for each player

Loot from: Rumble Pit Bosses

3x vial of soul fragment (yellow) for each player

Loot from: The flood raid and cyntarist boss

3x vial of soul fragment (green) for each player

Loot from: The flood raid and cyntarist boss

4 different vocations.

Level 1200.

Rewards:

a mirror

*You see a mirror. It weighs 9.50 oz. It feels like this mirror could make a reflection of an item real.
[Item ID: 3463]*

this item is used to duplicate any item. it might not to work at charms.

and achievement "The Mirror"

Start the quest here:

First part:

Once you get the requirements you can start the quest it contains 3 mini bosses and 1 final boss.

- **First Boss: Tsovinar**

In this boss you need to put vial of soul fragments in the order just like this :

Everyone in the party will be teleported to the boss. (You have 15 minutes to kill it)

Once you kill it one of your team will loot "Shell of Tsovinar" 

Second Boss: Vashna

In this boss you need to put vial of soul fragments in the order just like this:

Everyone in the party will be teleported to the boss. (You have 15 minutes to kill it)

Once you kill it one of your team will loot "Shell of Vashna"

Third Boss: Seth

In this boss you need to put vial of soul fragments in the order just like this:

Once you kill it one of your team will loot "Shell of Vashna" 

Final Boss: Maiden Of Death

When you get the 3 shells from mini bosses just like this:

Its time for the final boss you need to put Shells in the order just like this:

You will be teleported to the final boss and everyone in your party. (You have 30 minutes to kill it)

Once you kill it one of your team will loot "demonborn helmet, demonborn armor and demonborn legs"

Second part:

Now we got the set go to stone over there: (MUST BE WEARING THE SET)

When you enter, it will tell you to kill a boss depends on your vocation.

The bosses were changed because some of them were extremely rare spawn.

Druid -

OLD BOSS:

You will get the following message: *"The evil whispers tell you that the gods are watching you now. They foretell that you will kill the beast of many heads that will guide you."*

Hydras' Task Boss

NEW BOSS:

You will get the following message : *"The evil whispers tell you that the gods are watching you now. They foretell that you will kill the wingless dragon of electricity that will guide you."*

It's Wyrms' task boss.

Sorcerer -

OLD BOSS:

You will get the following message: *"The evil whispers tell you that the gods are watching you now. They foretell that you will kill the shrieking serpent beast that will guide you."*

Serpent rare boss

NEW BOSS:

You will get the following message: *"The evil whispers tell you that the gods are watching you now. They foretell that you will kill the infernal wizard of scorched earth that will guide you."*

It's Infernal mages' task boss.

Knight -

OLD BOSS:

You will get the following message: *"The evil whispers tell you that the gods are watching you now. They foretell that you will kill the lord of the underwater world that will guide you."*

Sea Serpent's Task Boss

NEW BOSS:

You will get the following message: *"The evil whispers tell you that the gods are watching you now. They foretell that you will kill the prototype of the golem's overseer that will guide you."*

Golems' task boss.

Paladin -

OLD BOSS

You will get the following message: " The evil whispers tell you that the gods are watching you now. They foretell that you will kill the golem overseer that will guide you."

Golems' Task Boss

NEW BOSS:

You will get the following message : "*The evil whispers tell you that the gods are watching you now. They foretell that you will kill the demonic spirit of nature that will guide you.*"

Demon spirits' task boss.

Last Part:

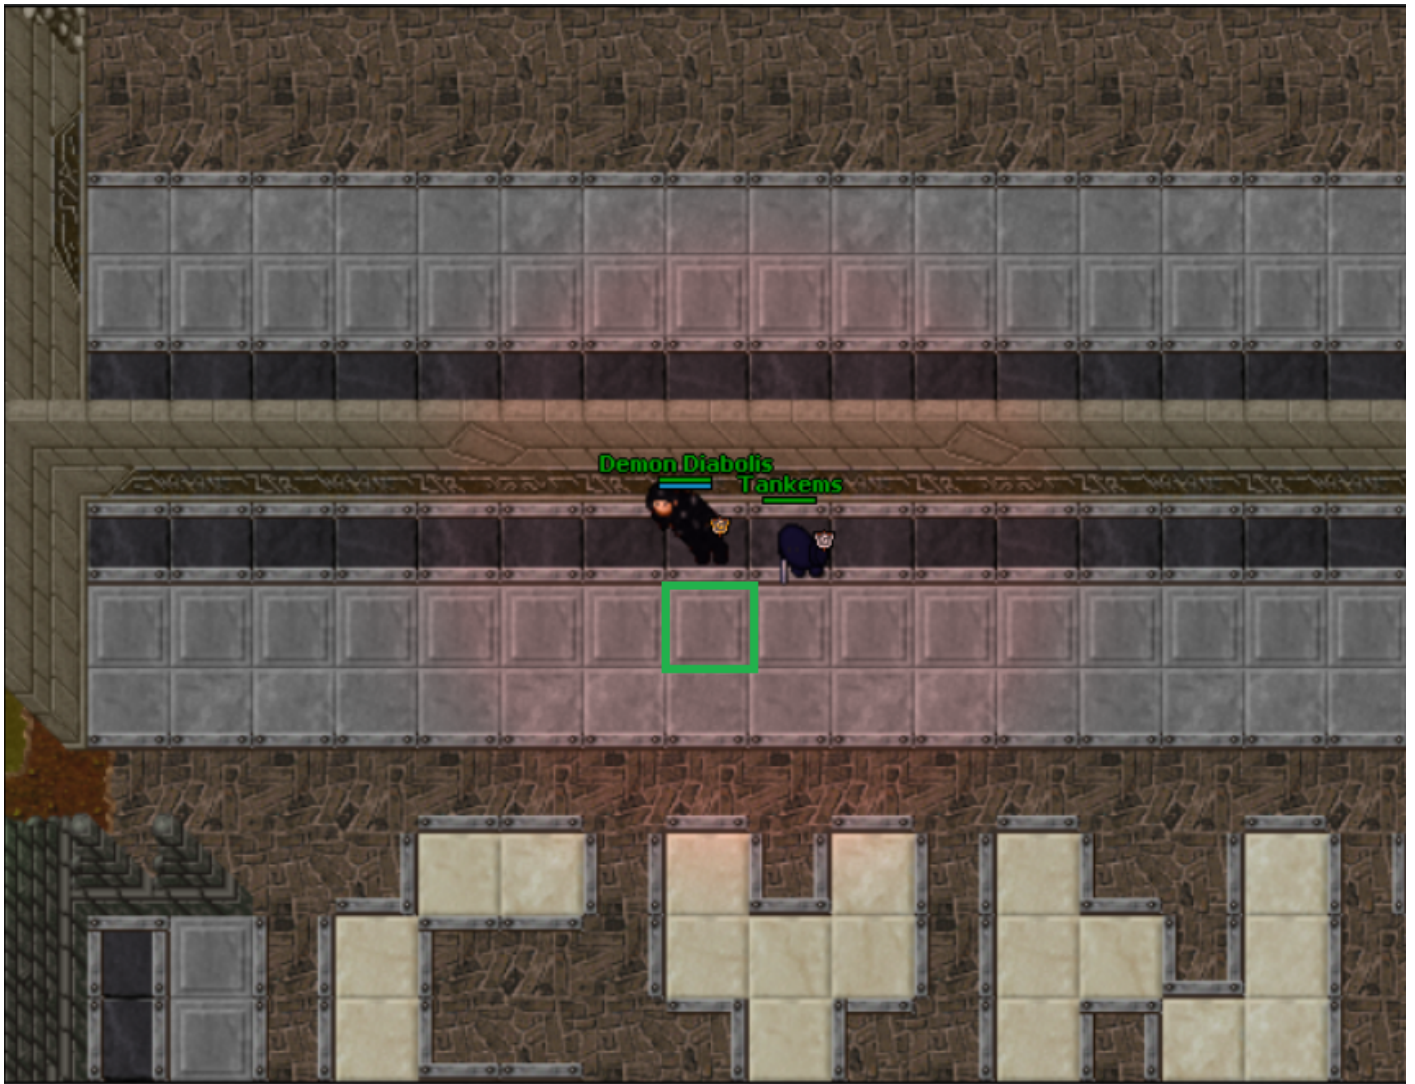

You must have got this message: "The evil whispers tell you the gods want you to return to where it all began."

Where it all began is the old Cyntara city. Which you can find at [Monstro Town](#).

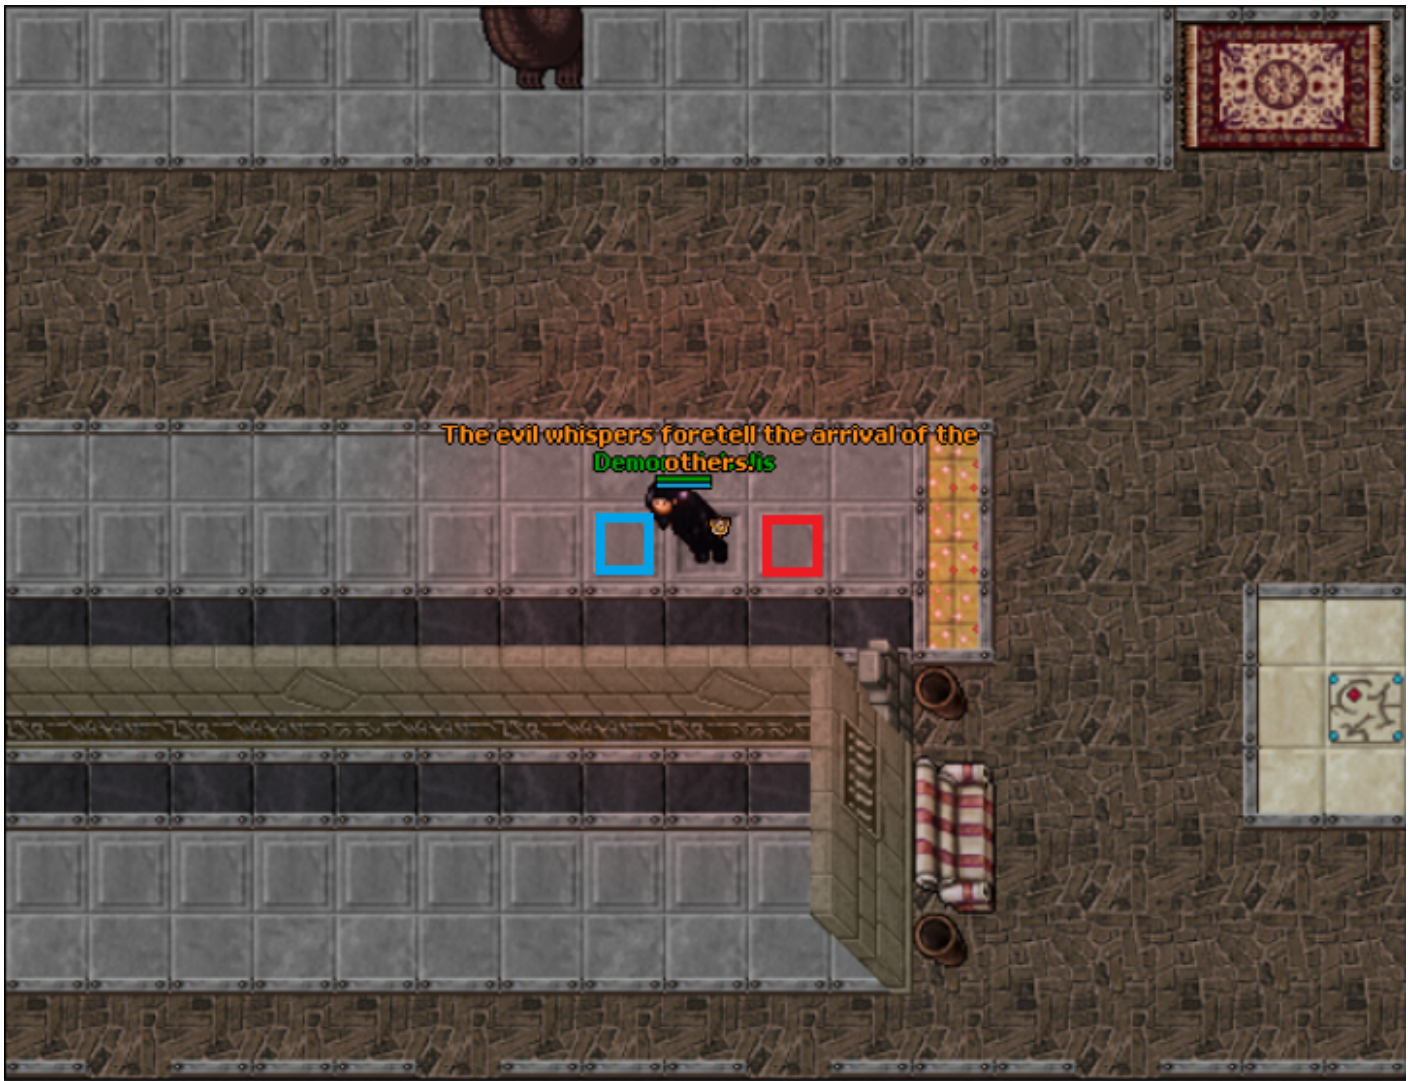

You can find it near to where Jinx spawns. -1 floor where you going to use shovel. you will see demons there and a lever click it to get teleported to the old Cyntara city.

Then at old Cyntara, their are tiles you need to step on them on a specific locations for every vocation.

Knight:

Sorcerer on the right, Druid on the left and paladin on the middle

After standing on these tiles you will be teleported to face the last boss: Malevolent reflection

After killing it you will be teleported out here:

You will get the following message: *"The evil whispers thank you for eliminating an ancient threat. The gods give you this seemingly useless mirror as a token of their gratitude."*

Click the statue in front of you and you will get the reward. Enjoy!! Cyntara OT <3

Thanks for everyone contributed to make this guide like ***Demon Diabolis, tankems, Wolf, Yezu and Matt Tactyx.*** sorry if I forgot any names.
