

[Lv 800] Depth Lords

Hi dears, this is the quest.

Rewards: Ornate Chestplate, Ornate Legs, Depth Lorica, Calopteryx Cape.

First you need the item "**True Heart Of The Sea**" that is dropped by the boss task of the Deeplings "**Thombras**".

When you use the item, you will gain access to the Depth Lords Quest. For me, i can't use again.

Enter the quest and you will be sent to the room of portals in the quest. One portal to go deeplings spawn, one for go temple again, and go for enter the bosses (Any of the three Tanjis, Obujos or Jaul bosses can spawn in the room.) You need sacrifice three Giant Blue Shimmering Pearl and Three Giant Brown Shimmering Pearl in order to enter the bosses.

Any boss can spawn. It's random.

Bosses will spawn and spawn continuously, if you want, you can wait for other boss give spawn. The best loot is of Obujos and Jaul Boss.

Thank's a lot for Mankuki and Tatiana. Crew <3
