mini boss

after you kill boss go forge it.

Mini boss 3:

Go to the boss here there is 2 levers you must to open them before enter the mini boss room.

can now enter mini boss

After You use 2 levers you can now enter mini boss

after you kill boss go forge it.

Mini boss 4:

Go to the boss here there is 2 levers you must to open them before enter the mini boss room.

After You use 2 levers you can now enter mini boss

after you kill boss go forge it.

es!

Keep going to the east till you find TP, wait till your team gathers.

Final boss room:

When you enter the final boss room, first of all kill the "*Titan Power Font*"

Stay away as far as you can so you don't get this message and you die

Don't worry if you die. You have few seconds to enter the boss again after it has died. So if you die you can come back fast before the boss respawns.

When you clean the cave, you can enter TP for your reward

Go north when you enter TP.

Enjoy Rewards.
