

[Lv100] Illusionist

Illusionist Quest

Level Required: 100

Rewards:

Experience + Crystal Ring

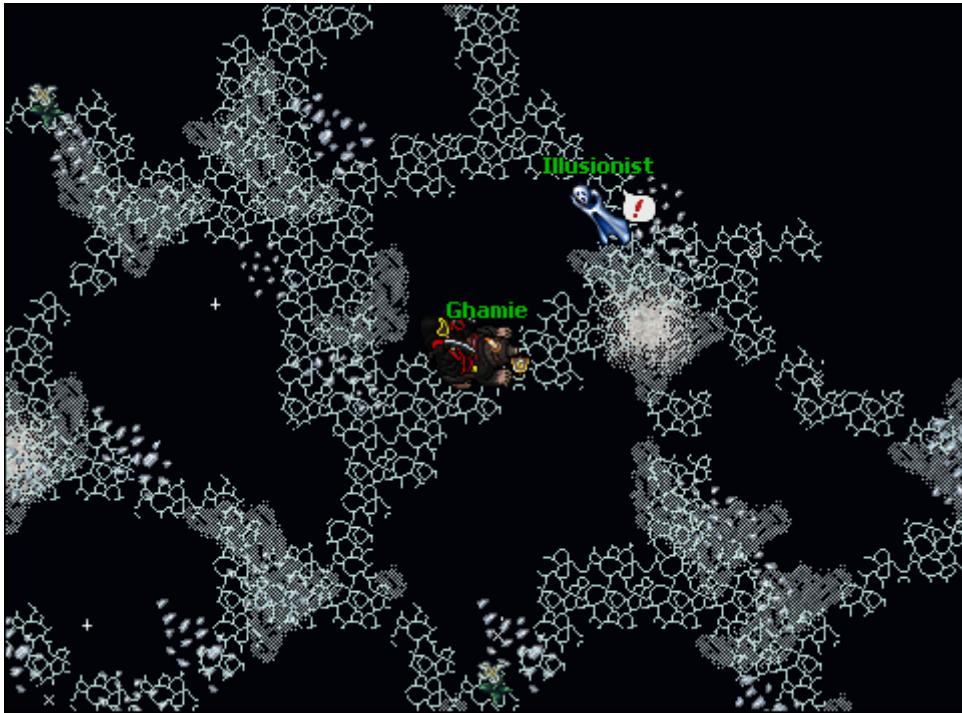

You enter the quest area from the portal room here:

Once you enter the quest teleport, you will enter a room with the NPC Illusionist. There is also a teleport in the same room.

DO NOT ENTER THE TELEPORT BEFORE SPEAKING WITH NPC!

In order to complete the quest, speak to the NPC!

```
Vyng [207]: hi
Illusionist: Hooo hoo! What brings you to my realm?
Vyng [207]: quest
Illusionist: Aha!! I have a simple task for new Cyntarists! But, first, what is your name?!
Vyng [207]: Vyng
Illusionist: Haha! Then Vyng I shall call you! You may ask me for a mission if you'd like!
Vyng [207]: mission
Illusionist: FACE YOUR FEARS, Vyng! Fear will cripple you your entire life! You must face your worst fears now! The demons in my keep, do you believe they can kill you?
Vyng [207]: no
Illusionist: Hoo hoo hoo!!! I cannot decide if you are brave or arrogant, Vyng! If you truly believe that to be true, enter the portal! Heeheehee!
```

Note: When the Illusionist asks you what your “name” is, you must type your character’s name exactly.

Once you have received your mission, walk north and enter the teleport. You will be teleported into a hallway with many demons. However, these demons are weak and do almost no damage. Kill them and progress through the hallway.

Enter the final teleport and open the chest.
